

Saving a Temporary List in “My Lists”

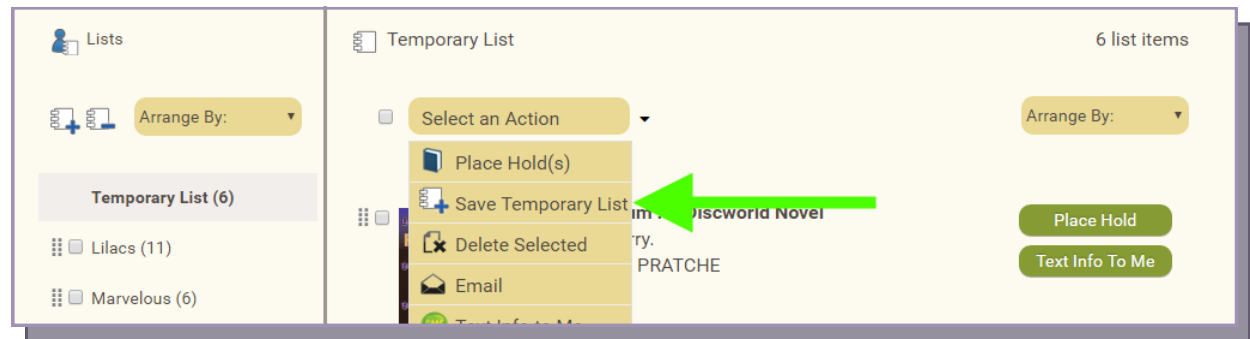

1 Once you have saved titles to a temporary list, log in to your account by clicking **Log In**.

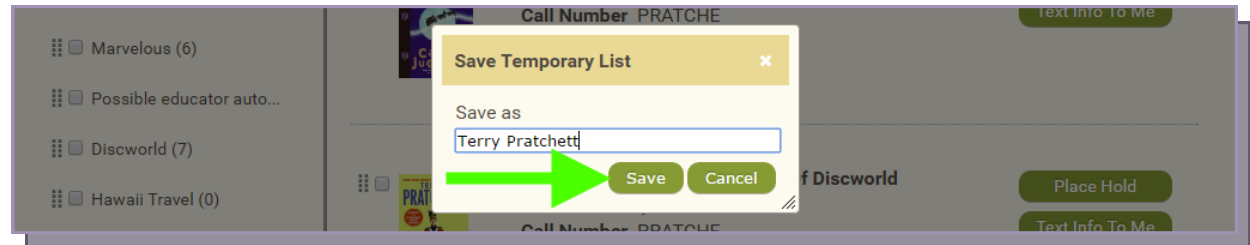

2 When you're successfully logged in, click **My Lists**.

3 Select **Save Temporary List** from the drop-down menu.

4 Type the name for your new list and click **Save**.

5 You should be able to see your new list name in the left column.
