Library summer programs for youth, teens, and their families. The Summer Reading program runs from June 15–August 15 and is for all ages.
Summer Reading 2019

HOW TO PLAY:
• Register at your FVRLibrary location or online at www.fvrl.org
• Read every day. How much you read is up to you!
• Set your goal and log each day that you read or attend a library program.
• For extra fun, grab a paper log at your library and check out our reading challenges.

Why Summer Reading?
Reading every day is good for you! Children who read, or are read to, become more confident readers and do better in school. Daily reading is also a workout for your brain at any age. Reading even 20 minutes a day may help improve your writing skills, expand your vocabulary, and reduce stress.

Teen volunteer opportunity:
Teens! Are you looking for something fun to do this summer? We’ve got a great opportunity for you! Your library is looking for volunteers to help with Summer Reading. Visit your library for more information.

PRIZES:

Kids and Teens (0–18):
Earn a prize and a grand prize entry for 15, 30, and 45 days of reading logged. Come to the library to choose your prize! Earn an extra grand prize entry when you complete the challenge on the paper log.

Adults:
Earn an entry into the grand prize drawing at 15, 30, and 45 days logged. Earn an extra grand prize entry when you complete the challenge on the paper log.

Grand prizes:
One reader in each age group (Early Learners, Kids, Teens, and Adults) will win their choice of grand prizes.
• OMSI Family Membership
• Barnes and Noble Shopping Spree ($100 Gift Card)
• Movie Marathon ($100 Gift Card to the movie theater of your choice)
• Wonderworks Children’s Museum Family Membership
• Sternwheeler Cruise ($125 Gift Card)

All prizes, other than grand prizes, must be claimed by August 31.

There are 5 simple ways we can help children get ready to read. Before children can learn to read, they need a range of early literacy skills. Add them to your routine. These activities can begin at birth.

**READ** a little every day.

**WRITE**, scribble, and draw.

**PLAY** together. Playing is how children learn and share ideas.

**TALK** to your children; it helps them learn words and their meaning.

**SING**, chant, and rhyme together to teach rhythm and vocabulary.

Reading together at home is one of the most important activities families can do to get children ready to read. Our **Learn at Home Reading Kits** include resources to get young children excited about books, develop early literacy skills, and have fun together!

Each kit contains six picture books, one adult parenting book, an interactive toy, and a CD or DVD. With themes like Colors, Outer Space, Potty Training, and more, you and your little readers are sure to find a kit to take home and enjoy.

**Learn at Home Reading Kits** check out like all other library materials, and you can check out up to two at a time. Don’t see a kit on the shelves? View the entire list of themes and place one on hold at [fvrl.org/grow-reader](http://fvrl.org/grow-reader).
