RE: Letter in Support of the New Woodland Library

Dear Paula,

The City of Woodland is in support of a new library for the Woodland community. The current facility, owned by the City, is outdated and does not meet the needs of our citizens. The Woodland City Council has voted to support a new library building and I concur with their action.

I endorse the efforts of the Woodland Friends of the Library to pursue this worthwhile endeavor. While it seems like a slow process nothing gets done quickly. My wife and I will personally donate to the project and will encourage others to do the same. Please keep me informed of the progress in your efforts.

If you have any questions please feel free to call me at 360-225-8281 or email me at lasekeg@ci.woodland.wa.us.

Sincerely,

Grover Laseke, Mayor
City of Woodland
