## Update on Yale Valley Community Library

The Yale Valley Library District (YVLD) has worked since early 2016 on a design for a new library for their communities in Southeastern Cowlitz County. The planned building is a 2000 square foot library that includes a meeting room as well as computers and seating areas.

The YVLD project is in cooperation with the Fort Vancouver Regional Library District (FVRL) serving as the consultant on the facility and furnishings needs for the library. FVRL provides library service to YVLD through a contract to provide service, currently at the Yale Elementary School.

The YVLD Board is in the process of hiring a contractor to begin some of the site preparation. The Library Board, along with the Friends of FVLD have hired Westby and Associates, a consulting firm which provides customized funding for non-profits. They are applying for various grants and pursuing other fundraising avenues to finish raising the needed amount to complete the funding needed for a new Yale Valley Library.

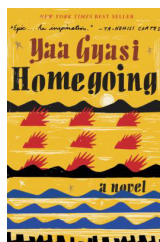

Questions about the library project should be directed to Eric Reese, Board Chair at [e2mreese@gmail.com](mailto:e2mreese@gmail.com).
