The AARP Tax-Aide program, administered by the AARP Foundation in cooperation with the IRS, provides free income tax assistance to ALL eligible taxpayers, with special attention to those aged 60 or older.

Volunteers will assist in preparing basic Federal and Oregon tax forms for personal tax returns. They can assist with most of your everyday tax situations including Affordable Care Act forms, Health Savings Account forms, filing for Earned Income Credit and Child Tax Credit.

However, volunteers cannot help you if you:

- Have a business with employees, inventory, net loss, or expenses over \$35,000 or have income from a hobby
- Want to file Married Filing Separately
- Have rental income from land with a structure
- Are filing a Part-Year Oregon Return (we file Non-resident and Full Year Resident Oregon returns only)

There are other complicated tax situations that may be beyond the scope of the AARP volunteers. If so, you may want to seek tax advice from a paid tax professional.

Tax returns are electronically filed as a free service by Tax-Aide.
