11. Adjournment

Equity & Connections:

• Storytimes have started up this month & we are excited to see our returning families again and new families starting to find us on a regular weekly basis.

- Our Youth Book groups started up this month with Ice Cream Socials and fun icebreaker games while handing out the book for next month. We have 2 groups this year - Kids (ages 8-10yrs) & Tween (ages 10-12yrs). We will not have a Teen book, but we have hopes of growing a group for next year.
 - Teri and I held an Alcohol Ink Workshop this month

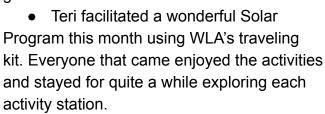

where adults got to experiment & play with Alcohol Ink. They were able to use Yupo paper, porcelain tiles, and glass pendants and they created some lovely things!

• Teri ran the cutest Clay Jewelry series this month. They met twice, the first time to make their adorable clay beads/charms (many were food related

- imagine mini-cinnamon rolls) and then the following week they met to make jewelry out of their clay creations. So

there were bracelets, pendants, and earrings galore!

Partnerships & Outreach:

 This month I started my outreach to Little Sprouts daycare back up after the summer break. I did get a lovely comment from the toddler classroom teacher about

how the parents really appreciated the free books in the SAYL outreach summer kits. These are families that we do not usually see in the library so it was great to hear that they appreciated the resources.

- The Friend's held one of their monthly Booksales What a great team!
- I attended a city planning meeting about the Holiday Tree Lighting Festival.

Organizational Culture:

- I attended an Intellectual Freedom Webinar this month. It was a great refresher and I did learn a few new things too.
- Susan attended her second Leadership Academy training session
- The La Center programming staff met to discuss Quarterly Programming & make some plans for the rest of the year.

| Secretary of the Board Expectations: Vice Chair, Megan Dugan | 7: 04 PM |
| Vice Chair Dugan discussed the expectations of the secretary for the Board of Trustees. Vice Chair | |
| Dugan explained we had a change in our best practices on how meeting minutes would be | |
| recorded. | |
| Vice Chair Dugan explained the prior process: Ms. Calkins takes the initial notes, sends them to | |
| the Executive Director for review. The new process is to take this off the plate of the Executive | |
| Director and to have the Board Secretary do the role. The Board Secretary stated they were | |
| horrified and not excited to do the task. Vice Chair Dugan clarified that Ms. Calkins would still be | |
| taking the notes, and the Board Secretary would be reviewing them before they go in the packet. | |
| Interim Director Keeler stated it is not to be an onerous duty of the Board Secretary, but to have | |
| more ownership from the Trustees over the minutes of their meetings. Ms. Hodges asked if it is | |
| within the secretary's role to modify minutes. Secretary Duncan-Cole stated they would note | |
| what was missing between both notes and then address the corrections needed. Ms. Hodges | |
| thinks one of the reasons why they are modifying this is because there was a process that we | |
| were not aware of or consent to where the minutes were being grossly manipulated and | |
| information was left out/changed. This is why we are wanting the minutes to go to the board | |
| secretary. If there is something you would like edited/removed we should consider crafting an | |
| email and getting all eyes on it. We do not want to experience the past issues again. Secretary | |
| Duncan-Cole stated they would do their best. Ms. Hodges is confident Ms. Calkins can take | |
| accurate notes. Vice Chair Dugan closed this discussion after no further questions/comments. | |
| Foundation Relationship and MOU: Interim Executive Director, Justin Keeler | 7:08 PM |
| Interim Director Keeler provided an update on the current relationship with the FVRL Foundation. | |
| There has been a commitment to meet weekly to discuss priorities with the Executive Director of | |
| the Foundation. They will begin the process of collaborating to get the MOU to a place where | |
| both parties could agree to it. The two largest priorities are getting the Woodland project | |
| completed which is scheduled for late 2024. Second is providing Washougal the library they have | |
| needed for quite some time. The Foundation Executive Director informed us that two-million | |
| grant with the Department of Commerce has been approved. Interim Director Keeler would like | |
| time to build the relationship. | |
| Ms. Love-Henslee commented that she is delighted to hear there are weekly meetings in place and that the | |
| grant has been approved. It is a wonderful thing for the Foundation and library to be working together. | |
| Surplus Authorization Request: Interim Executive Director, Justin Keeler | 7:11 PM |
| Director Keeler stated there is a cart designed for the use of outreach purposes that is broken. | |
| The vendor who provided the cart to us and our Facilities department are unable to repair it. It is | |
| currently located at our former Operation Center building. We would like the board's approval to | |
| mark it as surplus which will then allow us to sell it for market value, if any. | |

Fort Vancouver Regional Library District Staff Report 2023-44 2023 Budget Amendment

To: Board of Trustees

From: Justin Keeler, Interim Executive Director

Date: October 16, 2023

Subject: 2023 Budget Amendment

Summary:

FVRL is required to amend the annual budget to reflect any unanticipated revenue within the year under our Fiscal Management Policy. Staff believes it is prudent to indicate where unanticipated income is used to offset expenses. Those revised expenses should also be reflected in the amended budget.

Unanticipated Revenue: \$311,000

Peg Grant from City of Vancouver: \$61,000

Additional Investment Interest: \$250,000

Changes to Expenses:

Buildings Owned:

Amending from \$5,500,000 to \$3,311,000 to offset spending from reserves for OC Remodel and current year Woodland Community Library project expenses.

Recommendation:

This is the first reading of the 2023 Budget Amendment. No action at this time.

Fort Vancouver Regional Library District Staff Report 2023-45 2024 Budget First Reading

To: Board of Trustees

From: Justin Keeler, Interim Executive Director

Date: October 16, 2023

Subject: 2024 Budget First Reading

Subject:

FVRL is statutorily obligated to create and approve a budget as part of the Board of Trustees annual obligations. The 2024 budget reflects the needed revenue and expenses needed to best serve FVRL's many communities.

Summary:

FVRL's 2024 proposed budget is based on providing excellent customer service through all of our physical locations, and via our Bookmobiles that provide rural services to Klickitat and Skamania Counties. This will be achieved through fully staffing our branch libraries and departments, a comprehensive offering of library programs, and maintaining our collections.

The budget reflects our commitment to the communities of Woodland and Washougal through the construction of new branch libraries in both of those cities. \$4,000,000 has been allocated from reserves to ensure FVRL has the financial resources available to complete Woodland and assign funds to the Washougal project.

The proposed 2024 budget also assumes a 5.4% increase to personnel expenses that will be driven by contract negotiations and an increase in benefits.

Highlights for 2024:

Revenues: Operational increase of 3.1%

- Reflects 1% levy increase
- Reflects reduced revenue from Timber Tax
- Reflects continued growth from investment interest

Expenditures:

- Budgeted at 100%
- Reflects a 6.7% increase in expenses overall.
- Increase is driven by ongoing contract negotiations, increases to the cost of benefits, and capital expenditures for Woodland and Washougal:
 - o Buildings/Owned \$2,000,000 for Woodland
 - Reserves \$3,000,000 for Woodland and \$1,000,000 for Washougal
- Anticipates full staffing

No requested action: This is the first of 2 readings of the proposed 2024 budget. Staff will provide final numbers in December for Board approval.

Fort Vancouver Regional Library District Staff Report 2023-46 Surplus Graphics Printer and Laminator

To: Board of Trustees

From: Justin Keeler, Interim Executive Director

Date: October 16, 2023

Subject: Surplus Graphics Printer and Laminator

Summary:

FVRL has a large format printer that has been decommissioned as the software necessary to operate it is no longer available. The paper sensor is inoperable.

FVRL owns an industrial size laminator that is, at 16 years old, past its "useful life". There is not much of a sample size to determine resale value, if any. It is estimated that in its current condition, FVRL may be able to sell it for \$2,000.

Recommendation:

Approve Resolution 2023-19 to allow FVRL to designate the Graphics Printer and Laminator as surplus.
