## MOBILE APP TECHNICAL ISSUES ALERT

You may have noticed the FVRLibraries catalog app is experiencing limited functioning. The vendor has had technical difficulties and the app is currently in redevelopment. It will remain unavailable through early 2024. In the meantime, please use the web catalog at [bit.ly/FVRLibrariesCatalog](http://bit.ly/FVRLibrariesCatalog).

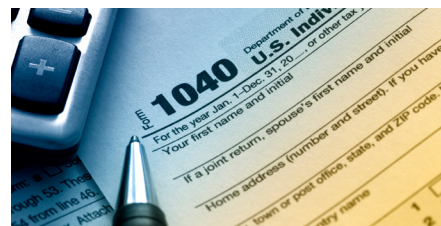

If you already have the app on your device, please be aware all the data on it is frozen as of November 24. If you wish to see your current checkouts or holds, or search for materials, you need to log into the web catalog. You may still access your account barcode in the app.

We thank you for your patience and look forward to bringing you a better experience soon.

You can get up to \$1,200 back if you are eligible for this state tax credit.
