Where I'm From

Jayden S.

I am from a small town,
White Salmon Washington,
Small in this world,
But yet,
The whole world to me.

I am from the mountains,
The trees,
The rivers,
The silence and,
That is the best for me.

I am from a single mom,
Who works so hard,
For sports,
For food,
For me.

I am from the hope,
To make my family proud,
To see them smile,
To repay my mom,
Who smiled in hell,

I am from the want,
To be something great,
To be a good father,
To have a great fate
I am from my family.
