Join us for the tenth annual Skamania County Reads! Come to Stevenson Community Library and pick up a copy of *Finding the Mother Tree: Discovering the Wisdom of the Forest* by Suzanne Simard to read and bring back so others can read it, too.

We'll have a book discussion on Wednesday, May 1 from 6-7 pm. Join at Stevenson Community Library or online. There will be other speakers and programs during May, including an art exhibit.

*Skamania County Reads* is underwritten and books are provided by Friends of Stevenson and North Bonneville Community Libraries.

Some changes to programs may occur after this booklet is printed. Check [fvrl.org](https://fvrl.org) for the latest information.

## CHILD ABUSE PREVENTION MONTH: CHILD SAFETY BOOK LIST

In honor of National Child Abuse Prevention Month in April, the Children's Justice Center has shared their list of recommended titles for children. [bit.ly/ChildSafetyReading](https://bit.ly/ChildSafetyReading)

For more information, resources, and helpful links about child abuse prevention and reporting, visit [dcyf.wa.gov/safety](https://dcyf.wa.gov/safety).

### Note to Caregivers

We recommend that you preview books before reading them to children, and be prepared for questions they may have. Not all books cover all aspects of safety for children, so reading a variety of books helps you open doors of communication about many difficult topics. By reading these books with them, it affords children permission to talk about body parts and safety, and removes stigma from the topic. Start conversations with children about their bodies and body safety at their developmental level. Use correct names for all body parts - including genitalia - to empower children to tell you if they experience any inappropriate, uncomfortable, or confusing touches.

Opioids include heroin, fentanyl, and many prescription medications. Anyone can overdose, including people who accidentally take too much of their prescribed medication, those who take medications prescribed for others, and users of illegal drugs. It can take just seconds for overdose to happen. Naloxone is a medication that can temporarily stop the effects of opioids and help a person start breathing again. Learn the signs of overdose and what to do, how to get Naloxone, and how the Washington State Good Samaritan Law protects both you and the overdose victim you are helping from drug possession charges at [stopoverdose.org](https://stopoverdose.org).

### PARENT & CAREGIVER TIP FROM VROOM: FOOD PLAY

**Animal Bites**—Sometimes mealtime can be a challenge. Encourage your child to eat by offering them choices about how they eat. You can say something like, “Do you want two big dinosaur bites or four little bird bites?” Count the bites together and ask them to think of their own “Animal Bites” eating ideas.

**Bocados de animales**—Algunas veces la hora de la comida puede ser difícil. Anima a tu niño para que coma de diferentes maneras. Puedes decir algo como, “¿Quieres dos bocados grandes de dinosaurio o cuatro bocados pequeños de pajarito?” Cuenten juntos los bocados y pídele que piense en sus propias sugerencias para comer con “Bocados de animales”.

Vroom offers early learning tips that are fun, easy, and make a big impact on growing brains. Get tips using the app on your phone or by texting VROOM to 48258, or download and print at [vroom.org](http://vroom.org).
