You'll find useful tools like business start-up information, NOLO legal guides, consumer demographics, and industry profiles at [fvrl.org/resources/business](http://fvrl.org/resources/business). You can also take advantage of on-demand training for yourself or your employees with **LinkedIn Learning**, keep up with business and current affairs in magazines and newspapers in **PressReader**, and access thousands of books, eBooks, and audiobooks on a variety of business topics in our catalog at [fvrl.org](http://fvrl.org). ## COMMUNITY RESOURCE: PULSEPOINT

Are you CPR trained?

PulsePoint Respond is a 911-connected app that can immediately inform you of emergencies occurring in your community and can request your help when CPR is needed nearby. *PulsePoint Respond is not available in all areas. The service is only offered where adopted by the local public safety agency.*

PulsePoint AED is a powerful tool to build, manage, and mobilize an emergency AED registry. Registered AEDs are accessible to emergency call takers and disclosed to those nearby during cardiac arrest events.

Get the apps at [pulsepoint.org/download](http://pulsepoint.org/download).

## FVRLIBRARIES AND SELF PARTNER TO EXPAND DOLLY PARTON'S IMAGINATION LIBRARY

FVRLibraries is pleased to partner with Support for Early Learning & Families (SELF) to expand the reach of Dolly Parton's Imagination Library (DPIL) throughout our service area. DPIL and local partners like SELF, provide free books monthly by mail to children from birth to five, regardless of family income. We are working together to promote early literacy development by supporting free access to high-quality reading materials for children and their families. We are using this partnership to expand the visibility of FVRLibraries to create more lifelong library users by connecting families with young children to library

resources, programs, and services. Look for SELF alongside FVRLibraries out in your community this summer and stop by any library to learn how you can enroll your child in DPIL.

You'll find more information about library services for early learners, caregiver tips, book lists, storytime schedules, and more at [fvrl.org/grow-reader](http://fvrl.org/grow-reader). Learn more about Dolly Parton's Imagination Library and the work of Support for Early Learning & Families at [selfwa.org](http://selfwa.org).

### PARENT & CAREGIVER TIP FROM VROOM

**Size Search**—Invite your child to hunt for objects of different sizes. How many small things can they find? What about big things? Make it harder and ask them to find things that are medium-sized or huge. Talk about what they see and what is the same and different.

**Búsqueda de vistas**—Salir a pasear es un momento perfecto para observar lo que los rodea. Mientras lo hacen, señala las cosas que ves. ¿Ves los pájaros, árboles, hojas, personas? Pregúntale a tu niño ¿cuántos ves? ¡Túrnense para señalar cosas diferentes en todas direcciones!
