PARENT & CAREGIVER TIP FROM VROOM

Comparison Shopping—A store can be a great place to build your child’s brain on the go. Give them something like a banana and an apple to hold. “Which is heavier? Which is larger? Which is softer?” You can do this with any items, in any aisle, in any store!

Compras comparativas—El supermercado puede ser un lugar estupendo para desarrollar el cerebro de tu niño durante las compras. Dale algo como una banana y una manzana para que las sostenga. “¿Cuál es más pesada? ¿Cuál es más grande? ¿Cuál es más suave?” Puedes hacerlo en cualquiera de los pasillos del supermercado ¡o en cualquier tienda!

Vroom offers early learning tips that are fun, easy, and make a big impact on growing brains. Get tips using the app on your phone or by texting VROOM to 48258, or download and print at vroom.org.
