Article in The Columbian on 7/13/24: Thank you to Rachel Reis, Cascade Park Branch Manager, and The Columbian for a great article that provides insight into the many library programs FVRL provides throughout the District.

Summer At Your Library: 8,700 registrations have already been received. The goal is just over 10,000 registrations this summer.

Woodland Library Project: The new library is expected to open in October 2024, and the project is progressing well.

Library Statistics: FVRL continues to see steady growth. The cardholder rate is at 28%; digital circulation continues to outpace our physical circulation. However, we understand the importance of physical collections in our service area, especially in areas that lack internet access. A new statistic has been added regarding cardholders to show new cards added for minors and adults.

6.2 FVRL FOUNDATION REPORT: At 6:25 p.m. of the recording Rick Smithrud, Executive Director of FVRL Foundation, introduced Foundation Board Chair Debbie Jennerjohn and the Foundation's Business Development Officer Judy Musa. The Foundation has been working with the community and fundraising to support the Woodland Library project. Rick highlighted that the District has been reimbursed \$1.8 Million so far from a state construction grant, with the remaining \$641 thousand reimbursement being processed. In addition, the Foundation has received several donations toward the Woodland Library naming opportunities. A recap of the 23/24 fiscal year activities was reviewed, highlighting: the 2023 Authors & Illustrators Dinner with Dave Baldacci; the Foundation became a 4-star charity on charity navigator; the Foundation received a "clean" audit for the 23rd year; in February, the Foundation took the top spot for the most successful "Give Back Day" ever at the Beaches Restaurant give back fundraiser; and in April the fifth Love your Library event benefiting the Woodland Library Project was the most successful one. For Summer at Your Library 2024, the Foundation has received a \$10,000 grant from OnPoint Community Credit Union and a \$6,000 grant from Umpqua Bank, as well as multiple other sponsorships from other partners. Thursday, October 17th at the Vancouver Hilton will be the 2024 Authors and Illustrators dinner featuring NY Times bestselling author Laura Dave.

6.3 BRANCH REPORT: WHITE SALMON VALLEY COMMUNITY LIBRARY – At 6:39 p.m of the recording Ruth Shafer provided an update on library activities at the White Salmon Valley Community Library.

Interim Public Services Director: Jennifer Giltrop thanked Ruth for serving as the Interim Public Services Director for the last year in addition to her Branch Manager duties.

Strengthen our communities through knowledge, experience and creativity: Michael Bueg shares information on edible mushrooms in the Gorge; Teens working in a community building Mario Kart Tournament; Celebration of 2024 Bookmark Contest winner.

Staff: Big shoutout to the staff who stepped up while I was the Interim Public Services; the team respects each other and works hard together for our community.

Operations Center: Recognition of all the support teams do to help us. A special thank you to Lee Strehlow who is retiring and all she has done to help us.

Partners: Women Artist of the Gorge, Friends of the White Salmon Valley Community Library; The White Salmon Arts Council; Soroptimists International of White Salmon; and many others.

Wild About Nature: Partnership with the Mountainview Grange, 70-80 people weekly in April to learn about nature themes.

Community Reads: White Salmon Valley Community Library will have two books this year: *Crow Talk* by Eileen Garvin and *Gifts of the Crow* by John Marzluff and Tony Angell.

2018 Grand Blvd, Vancouver Washington 98661 • 360-906-5000 • fvrl.org

Library locations: Battle Ground, Cascade Park, Goldendale, La Center, North Bonneville, Ridgefield, Stevenson, Three Creeks, Vancouver, Vancouver Mall, Washougal, White Salmon Valley, Woodland, Yacolt, Yale

Friends of the White Salmon Valley Community Library: They are the best Friends, supporting the library from book sales, ice cream social, youth book discussion support, children's Halloween bash, bookmark contest, community reads, wild about nature series, and all sorts of other ways.

6.4 FINANCIAL STATEMENTS AND HIGHLIGHTS – At 6:48 p.m. of the recording Catrina Galicz highlights the months ending April and May 2024.

April Statement of Cash: Cash balance in April increased \$7.6 million over March, and \$2.3 Million increase over the January cash balance. In April, the Board approved updated Reserve Allocations which are represented here in the beginning balances. The Woodland Project reserve has used just under \$600,000 thru April.

April Statement of Revenue: Taxes represent just over 87% of the revenue budget. April and October are the heavy receipt months for property taxes. Revenues thru April meet or exceed our expectations.

April Statement of Expenses: Operating expenditures are expected to be 33% of budget. The majority of operating expenditures are meeting or exceeding our budget expectations. For Capital Outlay, approximately \$11,000 has been spent on Buildings/Non-Owned; almost \$19,000 spent on Buildings/Owned; and \$1.4 Million spent on the Woodland Library Project from grants, as well as \$600,00 from cash reserves for the Woodland Project.

May Statement of Cash: Cash balance increased \$1.7 million over April, mostly due to the State construction reimbursement grant received for the Woodland Library Project. YTD net increase to cash is about \$4 million, which results in the operating cash fund having just under 5 months of operating cash. The reserve balance as of the end of May for the other funds is just under \$9.7 million.

May Statement of Revenue: YTD received 55% of Property Taxes. Most of the revenues are meeting or exceeding our expectations. Two areas to highlight under Miscellaneous, the Investment Interest is exceeding expectations at almost 65% and under Foundation Reimbursements (Grants) \$1.8 million was received toward the Woodland Project.

May Statement of Expenses: Budget target through May is 42% and all operating expenses categories meet or exceed budget expectations. Personnel is at 38% due to vacancies offset by payouts. Supplies, as well as Library books and materials are under budget, which is a combination of strong budget management and timing impacts. Other Services/Charges has two line items that are slightly above budget including Training/Travel which is due to a timing issue and travel arrangements happening early in the year, and Misc/Dues/Printing/Other is above the target due to annual dues being paid early in the year. The Woodland Library Project is at just under \$3 million paid out to date.

RECEIVE AND FILE APRIL AND MAY 2024 FINANCIAL STATEMENTS – At 7:01 P.M. of the recording Penny Love-Henslee made a motion to approve receiving and filing the April and May financial statements. Mary Ann Duncan-Cole seconded. Motion approved with 5 out of 5 votes.

7 BUSINESS

7.1 FACILITIES AND FINANCE COMMITTEE

- a. **2024 Budget Amendment and Cash Reserve Allocation Adjustment**– At 7:02 p.m. of the recording the proposed budget amendment and cash reserve allocation adjustment was presented by Jennifer Giltrop and Catrina Galicz. The amendment is driven by several factors including: 1. The development and adoption of the 2024 budget took place during the FVRL Leadership transition; 2. Increased perspective and analysis on historical revenue trends; 3. Two new Collective Bargaining Agreements approved/implemented in 2024; and 4. The Woodland Community Library building project budget has been finalized. Overall, the adjustment increases revenues by \$268,288 and increases the use of reserves by

\$421,932 for a total impact of \$690,220 which is a 1.88% increase over the initial budget adoption. Further details were discussed as presented in the 2024-07 Staff Report.

- b. **2024-07 RESOLUTION Budget Amendment and Cash Reserve Allocation Adjustment:** At 8:22 p.m. Mary Williams made a motion to adopt Resolution 2024-07. Mary Ann Duncan-Cole seconded. Motion approved unanimously with 5 out of 5 votes.

7.2 POLICY AND NOMINATING COMMITTEE

At 7:23 p.m. of the recording Jennifer Giltrop and Catrina Galicz introduced the following policy changes for 1st reading and consideration.

- a. **Purchase Card Policy (1st reading):** Includes changes to address timing of receipts and clean-up of language.
- b. **Purchase Card Policy Attachment A: Purchase Card Agreement (1st reading):** Includes changes to align with the Purchase Card Policy revisions.
- c. **Purchasing and Procurement Policy (1st reading):** Includes changes to ensure compliance with the RCW, Washington Administrative Code, and updating definitions.
- d. **Resolution 2024-06 MRSC Rosters (1st reading):** supports the changes to the Purchasing and Procurement Policy and provides FVRL the ability to use the MRSC rosters for purchasing. This resolution would replace the prior resolution for using MRSC Rosters and be in compliance with current laws.

7.3 Board Meeting Location Change – August 19, 2024 and October 21, 2024

At 7:31 p.m. of the recording, Jennifer Giltrop presented a proposed change of location for Board Meeting on August 19, 2024, changing from Ridgefield to Goldendale due to the meeting cancellation in June that was scheduled at Goldendale. The other change proposed is to move the October 21, 2024 meeting from La Center to Ridgefield. Penny Love-Henslee made a motion to approve the location changes as noted. Mary Ann Duncan-Cole seconded. Motion approved unanimously with 5 out of 5 votes.

8. **EXECUTIVE SESSION – Pursuant to RCW 42.30.110 (litigation)** at 7:33 p.m. of the recording the Board of Trustees go into Executive Session for 15 minutes. At 8:50 p.m. the Board Returns.
9. **BOARD COMMENT** - at 7:50 p.m. of the recording. Kristy Morgan thanked White Salmon Valley Community Library for hosting the meeting, recognized Lee Strehlow, HR Director, for all her efforts including helping the Board with hiring a new Executive Director. Olga Hodges wished fairwell to Lee Strehlow, thanked her for her professionalism, and wished her the best ahead. Penny Love-Henslee thanked Catrina Galicz for all of the work she has done in a short time to updates procedures and policies, and also to David Wyatt at the Stevenson Library for assisting me for meeting support and to Justin Keeler for the ride up here.
10. **NEXT REGULAR MEETING:** Monday, August 19, 2024 at 6 p.m. at the Goldendale Community Library. It will be a hybrid (in-person/online) meeting.
11. **ADJOURNMENT** – At 7:53 p.m. moved by Mary Williams and seconded by Mary Ann Duncan-Cole. Motion to adjourn.

July 2024 Organizational Report:

Battle Ground Community Library

Summer at Your Library continues going strong. An increase in sign-ups and a noticeable increase in completions has been realized from July of last year. The scavenger hunt and trivia questions have been popular and the stickers are quickly being collected by eager kids.

The Battle Ground Community Library's partnership with Battle Ground Parks & Rec transitioned seamlessly from SAYL sign-ups to Storytime in the park. Families are invited to join us after we set up and we happily re-read books for late comers sometimes at least twice.

Battle Ground enjoyed an additional outreach tabling event at Esther Short Park in Vancouver for Pride this month. Several hundred people braved the heat and many of them made buttons, selected books, and signed up for cards.

Eleven teens and tweens rose to the challenge of the pirate-themed escape room. The first group barely missed the time limit and the second beat the Kraken by 30 seconds. All seemed happy with the resulting loot.

Cascade Park Community Library

Cascade Park is hosting YES interns again this summer. YES is designed to improve employment outcomes by providing work readiness training, career related learning experiences, and internships. This is a great opportunity for our youth.

Cascade Park visited with the Boys & Girls Club, and presented Storytime to Park Crest Early Learning Center and also to Columbia Valley Elementary summer camp.

Poetry continues to be a draw at Cascade Park. This month's workshop had 18 people attending. We very much appreciate this partnership with the Clark County Poet Laureate.

Cascade Park had hosted some great programs including Marble Maze, Craft n Chat and the Morning Book Group. We facilitated three family Storytimes at Educational Opportunities for Children and Families.

Programming for Tweens and Teens including Magic the Gathering and the Virtual D&D and Video Game Club, were a big hit and bring in lots of folks.

Goldendale Community Library (including Goldendale Bookmobile)

Goldendale Community Days helps to celebrate the 4th of July on the following weekend. This year, even more bling was added for the parade, although we didn't place we are excited to try again next time! The Bookmobile also participated in the Touch a Truck part of the event highlighted all different types of vehicles.

In partnership with the City of Goldendale and Holcomb's Market, the Scavenger Hunt Society hosted its 3rd annual scavenger hunt during Community Days. 47 happy participants braved the high temperatures to explore a little more of the history of Goldendale. *A staff member commented that: "It was so much fun to hear and see the excitement of kids picking up their Goldendale Scavenger Hunt prize bags for completing the challenge. Lots of OOOHs and AAAHs."*

The Goldendale Pride Alliance held their Pride block party once again with WAGAP greeting visitors, vendors, Indian Tacos, and music. Speakers included the mayor and one of the pastors from a local church.

La Center Community Library

La Center staff were very fortunate again this year to have La Center School District specialists join us at the library on performer days to help families with reading strategies and to talk to families. Our school superintendent, Peter Rosenkranz also joined us!

The YMCA brought their Lego programs to the La Center this month and our families really enjoy their Lego challenges.

This month we finished up the La Center Farmer's Market outreach. The days were very warm, but we were able to connect to some new community members and talk about our great library resources.

This month staff & Friends of the Library marched together in the Our Days Twilight Parade. The theme this year was the Wild, Wild West on the River! Staff tossed candy and the Friends handed out free book coupons. We saw so many of our patrons in the crowd and had such a great time!

Ridgefield Community Library

Ridgefield staff finished construction of a yellow cardboard submarine that is perfect sized for our younger patrons to climb in and explore. It even includes a working telescope and will be in the children's area for their enjoyment.

The Ridgefield Heritage Society completed installation of "Celebrating 115 Years of Ridgefield Area History at Work and Play" at the Cube Gallery located at the Ridgefield Administrative and Civic Center. This included prints of scanned photographs of the Bratlie Brothers Mill from the Ridgefield Library's collection. The installation came together beautifully.

On July 17th the Museum of Curious Things parked outside the library for our third SAYL program. 100 eager community members participated in traversing through the museum.

Ridgefield staff displayed designs for a People's Choice Award and invited all entrants (17) to paint a window in late July. Two members of the Art Association judged entries and all entrants will receive a blue ribbon provided by them. The library will hold an awards ceremony in August.

Stevenson Community Library (including North Bonneville and Stevenson Bookmobile)

Skamania County Bookmobile is continuing its 2024 summer routes, with the yard game traveling kit at the Rhine Village Apartments in White Salmon, which is an affordable housing complex. Access for tribal members continues through the summer weekly Fat Bonneville and White Salmon sites, and our stop at Glenwood moves to the General Store which is also on Yakama Nation land.

The Washington Gorge Action Programs (WAGAP), provided cooling kits during the extreme heat event that have been distributed at the library.

The Skamania County Pioneer continues to publish *Library Leaves* and highlighted Summer at Your Library in July

Three Creeks Community

Three Creeks held programming at Hazel Dell Park and made catapults and at Felida Park we did a stamp making activity. We had over 120 community members join us for fun.

Three Creeks hosted a Humanities Washington hybrid program: Beyond Words: Storytelling Through Indian Classical Dance. Piyali Biswas gave a beautiful presentation and then illustrated the topic through dance. It was enthralling.

Three Creeks is now offering an ESL class weekly in partnership with Goodwill. We are excited to be able to provide this program to our community.

Vancouver Community Library

The Summer Lunch Program is a success and we have been able to provide over 900 lunches to kids and teens in the month of July! So exciting that we can partner with Share Vancouver to help combat food insecurity in Clark County.

This is a fun story about how the library connects community members in sometimes very unique ways. One of our staff took a call from a patron whose husband is a metal detectorist. They were looking for old yearbooks to find names that were from a ring that he had located. The staff member recognized the last name and after making some calls found that through those connections they were able to find the owner of the ring that was lost at Wintler Park circa 1982. They were so grateful to have their ring back!

Vancouver Mall Community Library

This month, we hosted the *enTaiko Drummers* at the Vancouver Mall Center Court, and they lived up to their billing of being loud. It was an entertaining program with a lot of drumming, and even staff got into the action and drummed along.

Staff are very excited that all open positions have been filled as of July. We welcomed two new PSAs to the district, and the Senior Branch Supervisor. The Branch Manager is very excited to get them fully onboarded and trained.

Washougal Community Library

Staff and Clark County Poet Laureate, Susan Dingle, hosted a Zine making workshop this month. Community members enjoyed this program.

Kids and families enjoyed some of the summer reading programs this month from learning about light and reflections by making kaleidoscopes to laughing along with Angel Ocasio.

Staff have been working hard to build our teen programming. This month we held a teen tie dye party where they could tie dye socks and bags or bring a garment of their choice. We had popsicles and a button machine as well. The teens had fun!

White Salmon Valley Community Library

Visits to the A-List Adventure students during the summer continue. This year it's a mixed age group and a great partnership. Staff member, Holly, hosted Nicole Christensen, with the Klickitat Health Dept, for an informative session at our Baby Story Time on introducing babies to solid food.

Summer At Your Library activities offered opportunities from pinata making to rubber stamping, magic shows, and Storytime's in the park. We, also, hosted both adult book discussion groups with good turnout. A small group of regular Book Buddies kids (ages 6-9) have been meeting in the library on Wednesday afternoons, mostly having fun with each other and talking a little bit about books.

Woodland Community Library

Summer @ Your Library is going great. Outreach to Horseshoe Lake Park on Friday evenings for the community “Hot Summer Nights” has also helped get people interested and allowed a good opportunity for us to distribute the News & Events, promote our branch programs and sign people up for the challenges. We have had a great response to the variety of programs this month.

The new library is nearing completion. We are all working hard to make sure all the final details are in place. There have been several related projects that have been extremely exciting. One is the SuperFab ceiling sculpture in the children’s area. Dr. Dene Grigar and two of her students from the Digital Media Department at WSUV are working to design and implement a “gamified” interaction with the art installation.

The Yacolt Express Library

We signed up over 200 participants for Summer at your Library, an increase from last year.

Our Wednesday and Friday craft workshops continue to be a big hit, and this month our theme was “The Great Outdoors.” Over 150 community members were able to join us.

On July 13th the library hosted Vikki Gasko Green in Central Park. It was well attended and was a fun performance.

Yale Valley Community Library

Yale Valley welcomed over 900 patrons for the month of July and has been busy signing up families for Summer at your Library.

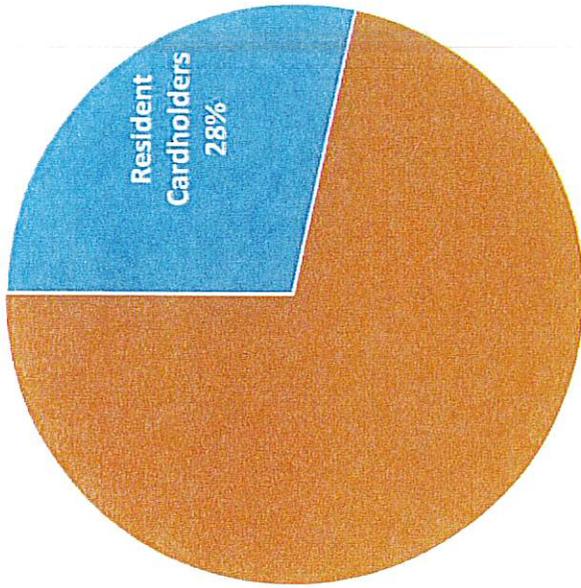

On Tuesday July 11th, the Oregon Reptile Man visited the library and was a huge hit. We had a huge turn out and filled the library with over 80 people. Last week a parent come in to tell us that his son was still talking about the presentation and was back to check out books on reptiles. His son didn't care what kind of reptile he just wanted to learn about them all. On his way out of the library he was thanking us again for bringing the reptile man to the library. It is always so heartwarming to hear positive stories about how our library impacts the lives of those in our community.

On July 18th we set up stamp making as part of our Family Craft Workshop and had two families stop by to participate. This is a new addition to our calendar and we hope as school starts back up in the fall we will see the program grow.

Staff Report 2024-08
Port of Woodland Tax Increment Finance Area**

TO: FVRL Board of Trustees
FROM: Jennifer Giltrop, Executive Director
DATE: 8/19/24
SUBJECT: Port of Woodland - Tax Increment Finance Area

Summary: The Port of Woodland is evaluating the use of Tax Increment Financing (TIF) to fund a suite of public improvements. The Port has not yet provided cost estimates or details of the projects

The proposed Port of Woodland Tax Increment Area (TIA) area is noted on the attached document from the Port. In early 2025, the Port will have a public process for consideration of the TIA, including two public briefings and consideration of a resolution for the creation of the TIA.

Tax Increment Financing

In 2021, Washington passed legislation which allows local government - defined as cities, towns, counties, port districts, or any combination thereof - to create Local Tax Increment Finance (LTIF) areas to fund public improvements. The resulting 39.114 RCW Impacts cities, counties and other taxing districts by capturing the increment of property value growth due those entities over a set period of time or amount of tax collections. It excludes any property taxes imposed by school districts, excess school levies, state support for schools, public utilities, and existing bond financing. Library Districts are not protected from this loss.

A Tax Increment Area (TIA) is property identified by a county, city or port district that requires public improvements to allow for development. The taxing entity creates the TIA as a means to leverage the increasing value of new or existing taxable property to service the debt created by the TIF. The governmental entity creating the TIF is able to retain the new increment of taxes on identified properties that would have previously gone to other taxing agencies. TIFs are used to pay for public projects and service the associated debt on limited tax general obligation bonds (LTGO). Once the TIF has been paid off, any additional funds collected must be returned to the County Treasurer for distribution to the taxing entities impacted by the TIA.

Key points on Local Tax Increment Financing Areas:

- Limited to 20% of jurisdiction's TAV
- Limit of two TIFs per jurisdiction (max \$200,000,000)
- No modifications once created
- Less than 5 years to perform improvements, up to 25 years for debt service
- Anticipates private development and increasing values
- Uses levies of overlapping taxing districts to determine amount
- Calculated on base amount of TAV for property

Impact

The main impact to FVRL is foregone property tax revenues - future increases to the base value of the Property for up to 25 years. The impact for this proposed TIA is not yet known.

Port of Woodland

July 15, 2024

Dear Taxing District:

The Port of Woodland is evaluating the use of Tax Increment Financing (TIF) to fund a suite of public improvement projects that would stimulate economic development, create job opportunities, and foster growth in Woodland and the surrounding region. TIF is a financing tool authorized by the Washington State Legislature in 2021 that allows cities, counties, and ports to fund infrastructure projects that promote job growth and economic vitality within their communities. Pursuant to RCW 39.114.040 the Port of Woodland is notifying you that it is considering the formation of a Tax Increment Area (TIA).

TIF works by utilizing the taxes from a property's increased value to fund infrastructure projects within a designated area, referred to as a Tax Increment Area (TIA). The financial feasibility of the Tax Increment Plan is reviewed by the Washington State Treasurer's Office. TIF is not a new tax. It is a financing tool that captures and redirects annual tax increases to fund a list of projects within the TIA, such as railroad improvements, stormwater infrastructure enhancements, and more. These improvements attract more private business investment in the area, further stimulating economic development and creating job opportunities.

The location of the proposed TIA is north of Dike Road and the Lewis River, west of Whalen Road and east of the Columbia River and generally south and west of I-5 as shown on the enclosed fact sheet.

The Port will have a public process for the consideration of this TIA including two public briefings and consideration of a resolution for the creation of the TIA. We anticipate these to occur in early 2025. We are presently preparing the technical information that must be shared with the State Treasurer's office for their review. We will be submitting that to the State Treasurer's office and to you 90 days after this letter is sent.

We are available to brief your board or staff on our proposed TIA. We will also follow up with a schedule of the public briefings and the potential consideration of a resolution by the Port Commission.

Thank you, and please contact me if you have any questions.

PORT OF WOODLAND EVALUATING NEW FINANCING PLAN TO BOOST ECONOMIC GROWTH

The Port of Woodland is evaluating the use of Tax Increment Financing (TIF) to fund a suite of public improvement projects that would stimulate economic development, create job opportunities, and foster growth in Woodland and the surrounding region. TIF is a financing tool authorized by the Washington State Legislature in 2021 that allows cities, counties, and ports to fund infrastructure projects that promote job growth and economic vitality within their communities.

HOW TIF WORKS

TIF works by utilizing the taxes from a property's increased value to fund infrastructure projects within a designated area, referred to as a Tax Increment Area (TIA). The financial feasibility of the Tax Increment Plan is reviewed by the Washington State Treasurer's Office. TIF is not a new tax. It is a financing tool that captures and redirects annual tax increases to fund a list of projects within the TIA, such as railroad improvements, stormwater infrastructure enhancements, and more. These improvements attract more private business investment in the area, further stimulating economic development and creating job opportunities.

COORDINATING WITH LOCAL AGENCIES

We are coordinating closely with local agencies and our community throughout this initiative that will benefit Woodland and the surrounding region. We will be available to provide information, answer questions, and work together on any anticipated impacts to local agencies. Learn more about TIF, view additional resources, and find out about opportunities to provide input at our website: <https://portofwoodland.com>

BENEFITS OF TIF FOR OUR COMMUNITY

ECONOMIC GROWTH

Helps facilitate new private development, thereby creating jobs and increasing the local tax base.

PUBLIC IMPROVEMENTS

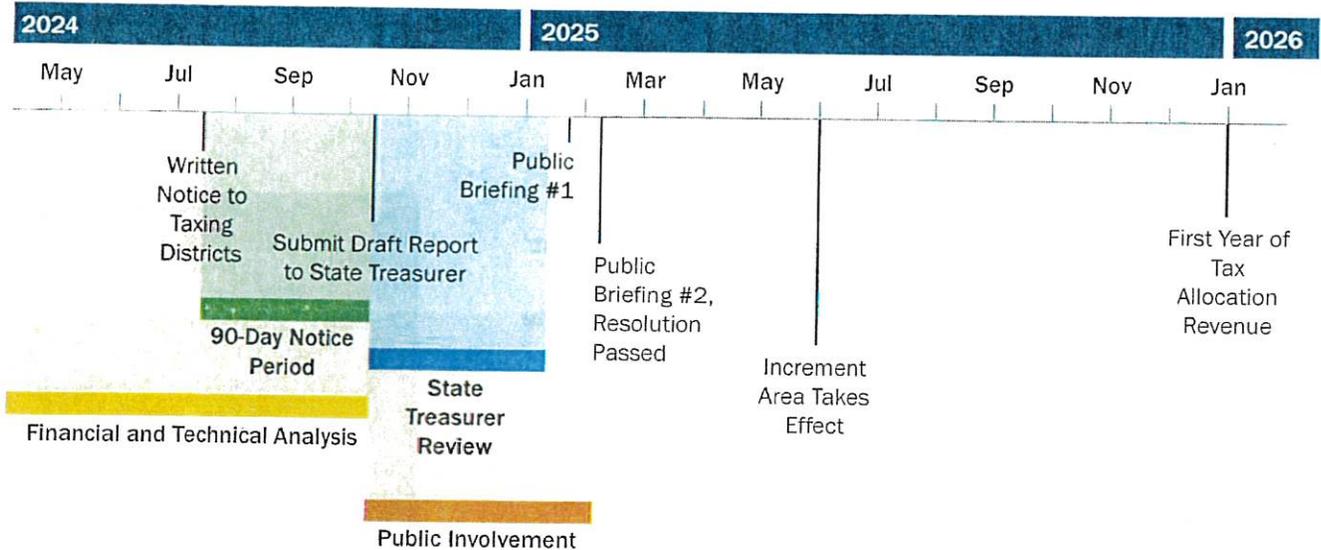

Funds can be allocated to critical infrastructure projects that will benefit the entire community.

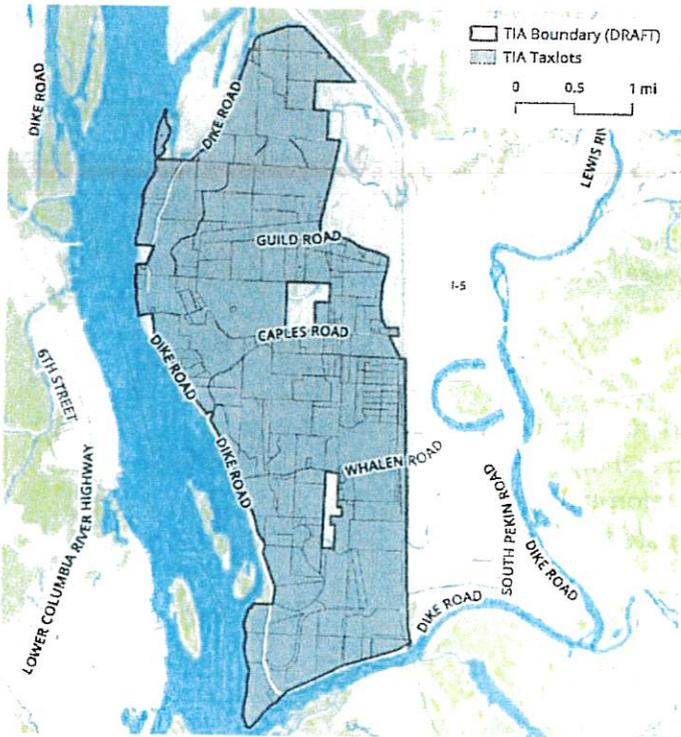

LEVERAGING ADDITIONAL FUNDS

New infrastructure projects and private investment help attract additional grants, loans, and investments, amplifying the impact of the initial funding.

Purchase Card Policy

(Includes Attachment A: Purchase Card User Agreement)

Introduction

The Fort Vancouver Regional Library District (FVRL) recognizes that the use of purchase (credit) cards is a customary and economical business practice to improve cash management, reduce costs, and increase efficiency. The Finance Director shall implement and administer the following standards related to the use of purchase cards by FVRL employees.

Washington RCWs 43.09.2855 (as used in this section, purchase card means a card or device issued under an arrangement pursuant to which the issuer gives a cardholder the privilege of obtaining credit from the issuer) and 42.24.115 allow local governments to provide agency credit cards for staff as long as there is a policy and procedure governing their distribution, limits, usage, payments and any other necessary rules to ensure compliance. FVRL's Executive Director is authorized to adopt any additional rules necessary to implement the provisions of this policy.

The Finance Director is authorized to obtain purchase cards under this policy, which provides for the distribution, authorization, control, purchase limits and payment of bills through the use of the purchase cards by FVRL employees. The Finance Director shall implement accounting controls to promote the proper use of purchase cards and reduce the risk of loss or misuse.

Purchase cards may be used by authorized employees for purchasing goods, services, supplies and other items from vendors; incurring registration, and training or travel expenses in connection with the performance of their duties or on behalf of FVRL (where such expenses have been included and approved in the budget).

1. Issuance, use and control of purchase cards

Purchase cards may be directly issued to those employees who, in the opinion of their Division Director and the Finance Director, have job responsibilities which could be more easily facilitated by the use of a purchase card and the purchase card use would benefit FVRL.

- **Assigned Purchase Cards:** If an employee's name appears on the face of the card, the employee is responsible for all purchases made with the card and the only person authorized to use the card. A purchase card should always be kept in a secure location.
- **FVRL Purchase Cards:** FVRL purchase cards may be provided to branch, department or division employees for purchases or travel when it is advantageous or necessary for FVRL to conduct its business and the employee does not have an assigned purchase card. These cards may be checked out from Accounting a few days prior to need. While the card is in an employee's possession, they are responsible for all purchases made with the card and are the only person authorized to use the card.

Before being issued a FVRL purchase card, each employee will be required to sign a FVRL Purchase Card User Agreement (Attachment A) acknowledging that they have read and

understand this policy, and that they understand violation of the policy will subject them to disciplinary action.

All FVRL purchase card users must follow these general guidelines:

- Purchase only goods and services required to perform job-related tasks
- Keep expenditures within the purchase card's limits
- Don't use the card to purchase items on the exception list
- When possible, obtain pricing and in-stock availability prior to purchase
- Ensure that the vendor immediately authorizes the purchase
- Obtain a detailed copy of the receipt showing the last four digits of the card number
- Retain all receipts, packing lists, emails and other substantiating documentation related to the purchase
- ~~Fill out a Purchase Card Form (Attachment B) with the appropriate account number (if available) and attach all documentation to form~~
- ~~Forward Purchase Card Form and receipts to the Accounting Department~~

All purchase card receipts and other documents identifying purchase card expenditures in detail must be delivered to the Accounting Department within ~~forty-eight (48) hours~~ five (5) business days of the transaction or from the time of return from travel from the date statement details are available to the card user.

Employees involved in any aspect of purchasing are acting as agents of FVRL and have a responsibility to act in the best interest of the organization, which includes not personally favoring a specific vendor at the expense of FVRL.

2. Authorization and Control

The Finance Director or their designee (Purchase Card Administrator) shall create and maintain accounts with the credit issuer or purchase card company. The Purchase Card Administrator shall maintain a ledger of individuals and departments using purchase cards, including the date the card was received, and act as a liaison between the purchase card company and the individual cardholders.

- Purchase card limits shall be set administratively for each card, depending on expected purchases during a typical billing cycle. The Finance Director may approve additional purchase capacity as needed on a temporary or on-going basis.
- Expenses related to authorized travel (hotel, airfare, ground transportation, registration, fees and meals) may be charged to a FVRL purchase card provided the purchases are preapproved by the Executive Director or their designee, and the employee returns from travel with all receipts in accordance with the FVRL Travel and Subsistence Policy and related procedures.
- ~~In some instances, a purchase order may be required for purchases made with a purchase card. If in doubt, check with the Purchase Card Administrator for clarification.~~
- The purchaser is responsible for ensuring receipt of the materials or services ordered and resolving any delivery problems, damaged goods issues, or other discrepancies with the vendor.

- If item(s) purchased with a purchase card need to be returned to a vendor, the purchaser should follow the vendor's return policy and ensure that proper credit is posted for any returned item(s). Failure to provide detailed documentation as required by the policy may result in the purchaser being responsible for the charge.

The Executive Director is authorized to revoke the use of any purchase card issued and immediately require the surrender of a purchase card. Purchase cards must be returned to FVRL immediately upon ending employment.

3. Unauthorized Charges

Any employee using a FVRL purchase card for unauthorized purchases or for personal use may be subject to disciplinary action and shall be billed by FVRL for all such unauthorized charges. Disallowed charges, or charges not properly identified, will be paid by the employee before the purchase card bill is due. If a situation arises where an employee is responsible for charges and the timing of the payment may result in interest and/or late fees, the Finance Director must be informed immediately. Any employee with a demonstrated history of unauthorized charges may be barred from obtaining or using a FVRL purchase card.

The following purchase card uses are NOT allowed:

- Charges made without pre-approval of the purchase card user's direct supervisor, department head, Division Director or Executive Director
- Payment for personal items and services
- Cash advances of any kind including money orders/travelers checks
- Purchase of gift cards or cash cards
- Purchase of alcoholic beverages

If certain charges are disallowed as a result of an internal audit or violation of current FVRL policy, such charges must be repaid. Misuse of a FVRL purchase card may result in disciplinary action up to and including termination and legal action.

Lost or stolen cards

Employees will immediately notify the Purchase Card Administrator, Finance Director or supervisor if their purchase card is lost or stolen as it is imperative that the card be frozen to prevent unauthorized use. If the loss is the result of a robbery, please call the police and file a report. Failure to report a lost or stolen card could result in the employee being held responsible for any unauthorized charges.

Unauthorized charges by a third party

The Purchase Card Administrator will be responsible for tracking expenditures on the cards on a monthly basis and identifying any fraudulent use not detected by the purchase card issuer. Employees may be asked to assist with resolution of unauthorized use.

4. Payment of Bills

Cardholders are required to have all purchase card receipt(s) and other documents identifying the purchase card expenditure(s) in detail, delivered to the Accounting Department within ~~forty-eight (48) hours~~ five (5) business days of the statement activity made available to card users, of the transaction(s) or from the time of return from travel; or at least by the end of the monthly billing cycle, whichever comes first.

Fort Vancouver Regional Library District

Purchasing and Procurement Policy

PURPOSE

The Fort Vancouver Regional Library District's (FVRL) Purchasing and Procurement Policy serves as a guideline directive for staff when obtaining proposals, bids and quotes for public works projects, purchases of goods, and procurement of professional services. The intent of the policy is to ensure that FVRL is in compliance with applicable procurement laws and public contracts are managed satisfactorily and efficiently, ensuring responsible stewardship of public funds, at the least cost to the public and the greatest value to FVRL.

POLICY STATEMENT

FVRL will use a competitive process to solicit and evaluate proposals, quotes and bids based on relevant procurement laws, when undertaking public works projects as established by the Revised Code of Washington (RCW) and any allowable practices under such statutes. Bidding, contracting, purchasing and procurement procedures and guidelines will be established and maintained by the Executive Director or their designee to assure a competitive, open, fair and compliant process.

PUBLIC WORK PROJECTS

Public work is defined (39.04.010 RCW) as all work, construction, alteration, repairs, or improvements ~~to~~ physical property, other than ordinary maintenance, on any public building or property. [39.04.010 RCW]

PREVAILING WAGES

All public work projects require payment of prevailing wages under **39.12 RCW**. Contractors must be told in advance that prevailing wages must be paid to all employees who work on the contract. It is the contractor's responsibility to file a Statement of Intent to Pay Prevailing Wages and applicable affidavits with the Industrial Statistician of the Department of Labor and Industrial Services. It is FVRL's responsibility to ensure compliance, as applicable, before payments are made to contractors.

SMALL WORKS ROSTER

By Resolution ~~2017-2-2024-06~~ of FVRL's Board of Trustees, public works projects of more than \$150,000 and less than \$350,000 may use a Small Works Roster (SWR) process to solicit bids [39.04.155 RCW].

FORMAL BIDDING ADVERTISING REQUIREMENTS

For public works projects that do not use the SWR or cost more than \$350,000, FVRL will publish a notice at least once in a local newspaper and no less than thirteen (13) days prior to the closing of the bid period. If the advertising is for a public works project, it will include notification that the work is subject to prevailing wages laws. [39.04.010/39.12.010-020 RCW]

ALTERNATIVE PURCHASING METHODS

Where the application of competitive procedures would lead to undesirable, uneconomical or impractical results, FVRL may also use alternative procurement methods for public works projects, such as use of design-build or general contractor/construction manager procedures, sole source or turnkey acquisition, or other alternative procurement methods permitted under Washington state law.

CHANGE ORDERS

A change order is an alteration to a project during construction that is not consistent with the proposal specifications upon which the contract was awarded. Change orders are contractual requirements used to manage new or unforeseen circumstances to a project. In the course of a project, bona fide

emergencies may arise and incidental alterations may well be required. As a general rule, a change order should not be used to remedy defective work or for the loss of a contractor from failure to perform or bankruptcy. A competitive process should be used in such cases.

DAY LABOR

FVRL reserves the right to use library staff as day labor on projects with an estimated cost up to \$450,000 (single craft) or \$65100,000 (multiple craft). [35.23.352 RCW]

EMERGENCIES

Emergency contracts for public works and purchasing is used only to avoid immediate hazard to life, to preserve FVRL's property, or to prevent significant service disruptions per **39.04.280(3) RCW**. In such a situation, the Executive Director or their designee may declare that an emergency situation exists, waive competitive proposal requirements, and award all necessary contracts on behalf of FVRL to address the emergency. If a contract is awarded without competitive requirements due to an emergency, written proof of the existence of an emergency must be provided to the Board of Trustees and entered into the recorded minutes no later than two weeks at the next Board of Trustees meeting following the contract's award.

ON-CALL SERVICES

FVRL uses on-call vendors/contractors to complete non-routine maintenance and small repair projects. Frequently the work includes troubleshooting to determine the proper course of action to resolve a building or equipment failure. Vendors and contractors may be selected from the appropriate SWR and local vendors can be used as needed for emergency situations.

ORDINARY MAINTENANCE

~~Ordinary maintenance is any maintenance that is performed on any public property on a regularly scheduled basis (e.g., daily, weekly, monthly, etc., but not less than once a year), to service, check or replace items that are not broken; or work that is not regularly scheduled but is required to maintain an asset so that repair does not become necessary. [296-127-010(7)(b)(iii) WAC].~~ Ordinary Ordinary maintenance is defined (296-127-010 WAC) as maintenance work performed by the regular employees of the political subdivision of the state. Maintenance is defined as keeping existing facilities in good usable, operational condition. Ordinary maintenance is defined as maintenance work performed by the regular employees of the political subdivision.

~~Ordinary maintenance is not considered a public work and state law does not require a competitive bidding process. This work may be performed under a maintenance contract or on a case-by-case basis. Maintenance performed by contract and meeting the definition of public work will comply with procurement requirements applicable based on contract amount. FVRL will bid out each contract at no less than every three (3) years to identify potential vendors for all needed categories of maintenance services.~~

PERFORMANCE BONDS, RETAINAGE AND CLOSE OUT

~~One hundred percent performance bonds are required on all public works projects in excess of one hundred fifty thousand dollars (\$150,000). On contracts under one hundred fifty thousand dollars (\$150,000), at the option of the contractor as defined in 39.10.210 RCW, FVRL may retain ten percent (10%) of the contract amount for a period of thirty (30) days after date of final acceptance, or until receipt of all necessary releases from the department of revenue, the employment security department,~~

and the department of labor and industries and settlement of any liens filed under chapter ~~60.28 RCW~~, whichever is later. The recovery of unpaid wages and benefits must be the first priority for any actions filed against retainage held by FVRL.

FVRL will require performance bonds and/or withhold retainage on public works projects as follows:

- Performance bonds will be required on all projects at or above \$150,000.
- Retainage in the amount of 5% will be held on all non-maintenance public works contracts.
- If FVRL requires a bid bond, it will be stated in the bid documents.
- FVRL will consider a retainage bond in lieu of withholding of retainage as applicable.

PHASING

FVRL may not break a public works project into separate phases to avoid compliance with procurement laws

~~35.22.620(3)RCW~~, which prohibits the division of a project into units of work or classes of work to keep costs below the bidding threshold, even though those phases are performed at different intervals of time.

RESPONSIBLE BIDDERS – CONTRACT AWARD

~~A responsible or responsive bidder is one who is deemed to be capable of supplying the goods or services requested in a solicitation. Criteria for responsible bidders for public works projects can be found in 39.04.350 RCW and must be adhered to for all public works contracts. A responsible bidder must not be disqualified from bidding under RCW 39.06.010 or 39.12.065(3), certify through a sworn statement or an unsworn declaration under penalty of perjury that they are not a willful violator of labor laws in reference to RCW 49.48.082, and have received training within the past three years provided by the Department of Labor and Industries on the requirements related to public works and prevailing wages, or be exempt from this requirement through prior compliance. [ESSHB 1673]~~

FVRL awards contracts to the lowest bidders deemed both responsive and responsible:

- Responsive – responded to all bid items and included all required elements
- Responsible – one who meets a set of “responsibility criteria” as defined in state law. (39.04.350 RCW). The criteria typically include being properly licensed, registered, and insured.

FVRL will verify that the vendor is eligible to do work in the state of Washington prior to awarding a contract.

ARCHITECTS AND ENGINEERS

Chapter **39.80 RCW** requires that any service that would be provided by a professional, such as a registered architect, engineer, land surveyor or landscape architect must be procured ~~through qualificationsthrugh~~ through qualifications-based selection. Requests for qualifications (RFQ) ask proposers to submit qualifications, if not already on file, for a proposed scope of services in response to FVRL’s specific needs. Qualified consultants may be used by FVRL for additional projects within three (3) years of qualification.

PURCHASES OF SUPPLIES, EQUIPMENT AND SERVICES

FVRL shall purchase and acquire supplies, equipment, and services pursuant to **39.34 RCW**. Purchased goods and services that meet FVRL’s requirements should be sought for competitive prices and exclude sales tax, shipping, and handling fees from total cost when considering bid limits. Competitive pricing is not required for the acquisition of library materials and resources (books, magazines, media, electronic databases, etc.).

PROFESSIONAL SERVICES

This includes pProfessional and/or technical-services include expertise provided by a consultant to accomplish a specific study, project, task, or other work-statementscope of work, not including professional architecture and engineering services. These services will be competitively solicited through a formal Request for Proposal for projects/services needed by FVRL that are expected to exceed \$75,000. For projects and services over \$10,000 and under \$75,000, FVRL will obtain a minimum of three quotes. In addition, FVRL will ensure professional services using federal funds will meet applicable competitive procurement requirements.

DEFINITIONS-GENERAL PROVISIONS

CONFLICT OF INTEREST

No FVRL Trustee or employee may benefit, directly or indirectly, in whole or in part, from any FVRL contract for goods or services nor accept any compensation, gratuity or gift in connection with such contracts. [42.23.030 RCW]

GOVERNMENT CONTRACTS & PIGGYBACKING

~~FVRL is authorized to purchase equipment, supplies, furnishings, and other property, without advertising, giving notice, or inviting proposals through federal, state or local government contracts to obtain the best price [39.32.070-090 RCW].~~

FVRL is authorized:

- To purchase equipment, supplies, furnishings, and other property through federal government contracts to obtain the best possible price which are exempt from bidding requirements [39.32.070-090 RCW].
- To use contracts offered through Washington State DES, once establishing a Master Use Agreement [39.26.050 and 39.26.060 RCW].
- To rely on the contract award of another government contract, Piggybacking. FVRL will follow piggybacking compliance requirements [39.34 RCW].

These options allow pricing to be extended to FVRL from other governments and may provide other efficiencies. FVRL will ensure compliance with all applicable requirements when utilizing contracts awarded by others.

SALES TAX

Sales tax applies to nearly every sale of tangible personal property and some services. For solicitation purposes, the tax must be included when determining the cost of a public work, or when calculating the cost of materials, supplies, and equipment purchased separately from a public work.

SMALL, MINORITY, WOMEN AND VETERAN OWNED FIRMS

FVRL encourages small, minority, women and veteran owned firms to bid on our public works projects, services and purchases. However, FVRL does not discriminate against or give preferential treatment to any business.

SOLE SOURCE PROVIDERS

Sole source ~~exceptions to procurement purchasing~~ is used when, due to unique characteristics of the requested product/service there is only one product or service capable of fulfilling FVRL's requirement and only one vendor that ~~sells-provides~~ that product or service. Validation of a vendor as a sole source provider and pre-approval by the Executive Director is required prior to any sole source purchase or acceptance of bid.

TRANSPARENCY AND REPORTING

FVRL will maintain and annually produce for the Board of Trustees a list of all public works contracts awarded ~~following the Records Retention Policy. [39.04.200 RCW]~~

WARRANTIES

FVRL requires warranties on all public works projects and repairs for a minimum of one year. Longer warranties may be negotiated for specific projects.

ADMINISTRATION

The Executive Director ~~or designee~~ is responsible for the administration of this policy, for establishing administrative procedures for its implementation and for making the policy available for the public ~~at each branch and~~ via the Library's web site.

SEVERABILITY

The Board of Trustees hereby declares its intention that the provisions of this policy are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, chapter, title or other portion of this policy, or the invalidity of the application thereof to any person or circumstance shall not affect the validity of the remainder of the policy, or the validity of its application to other persons or circumstances.

CONTINUANCE

The Board of Trustees hereby declares its intention that the provisions of this policy shall be construed and applied as a *continuation* of the provisions of the policy, as amended, insofar as applicable, and the repeal of any part of this policy shall not be construed as affecting such *continuous* application.

FORT VANCOUVER REGIONAL LIBRARY DISTRICT

Resolution 2024-06

MRSC ROSTERS: SMALL PUBLIC WORKS, CONSULTANT AND VENDOR ROSTERS RESOLUTION

A RESOLUTION OF THE BOARD OF TRUSTEES OF FORT VANCOUVER REGIONAL LIBRARY DISTRICT (FVRL) ON THE SUBJECTS OF ESTABLISHING A SMALL PUBLIC WORKS ROSTER AND THE AUTHORITY TO USE THE ROSTER PROCESS TO AWARD SMALL PUBLIC WORKS CONTRACTS, A CONSULTANT SERVICES ROSTER FOR GENERAL CONSULTING AND OTHER PROFESSIONAL SERVICES, AND A VENDOR ROSTER FOR GOODS AND SERVICES.

WHEREAS, RCW 39.04.151-154 and other laws regarding contracting for public works by authorized local governments, allow certain contracts to be awarded by a small works roster process; and

WHEREAS to be able to implement a small works roster and process, the FVRL is required to adopt a resolution, establish reporting procedures that are publicly available, and commit to providing the most practicable opportunities for small businesses when using Direct Contracting; and

WHEREAS to be able to use Direct Contracting on occasion, FVRL is required to define this process in procedure; and

WHEREAS, chapter 39.80 RCW and other laws regarding contracting for consulting services by municipalities allow certain contracts to be awarded by a consultant roster process; and

WHEREAS, RCW 39.04.190, regarding purchase of materials, supplies, or equipment not connected to a public works project, allows certain purchasing contracts to be awarded using a vendor list.

NOW, THEREFORE, FORT VANCOUVER REGIONAL LIBRARY DISTRICT HEREBY RESOLVES AS FOLLOWS:

- Section 1.** Resolution 2024-06 is hereby repealed and replaced with this Resolution.
- Section 2.** **MRSC Rosters.** FVRL hereby elects to use the statewide small works roster established under [RCW 39.04.151\(2\)](#) and administered by the Municipal Research Services Center of Washington (MRSC).
- Section 3.** **Small Works Roster.** FVRL adopts the following to use in the management and awards of small public works projects as allowed under RCW 39.04.152. FVRL will maintain separate procedures and contracting templates for small works roster contracts.
- A. Small Works, as defined by RCW 39.04.152 are public works projects estimated to cost \$350,000 or less, excluding sales tax, for the construction, renovation, remodeling, repair, or improvement of real property.
 - B. A Small Works Roster is a pre-established list of properly licensed contractors, registered to do business with FVRL under selected project types and (work) categories.

- C. The Small Works Roster process is an alternative to publicly advertising public work projects.
- D. Every small works contract is subject to the same public works bidding, award, and compliance requirements of chapter 39.04 RCW unless specifically included in RCW 39.04.151-154, this resolution, or the incorporated policies or procedures.
- E. Small Work Roster contract procurements will be bid electronically through the FVRL's procurement processes, except as may be used in small works roster direct contracting process. (RCW 39.04.152(4))
- F. Only those contractors registered with MRSC Rosters will be invited to bid on small works roster projects.
- G. **Invitations for bid** or direct contracting negotiations shall include an estimate of the scope and nature of the work to be performed as well as materials and equipment to be furnished. However, detailed plans and specifications need not be included in the invitation.
- H. Small Works contracts will be awarded to a responsible contractor (RCW 39.04.350) submitting the lowest responsive bid, unless using direct contracting where a contract will be awarded to a responsible contractor submitting a competitive bid or negotiated bid.
- I. Small Works bidding and award information will be entered by FVRL into the statewide small works roster platform immediately upon conclusion of each small works roster award.
- J. Small Works bidding and award data will be part of the FVRL's procurement files and records and all documents will be available for review with the FVRL'S public records officer.
- K. **Annual Notification and Invitation.** At least once a year, MRSC shall, on behalf of the FVRL, publish in a newspaper of general circulation within the municipality's jurisdiction a notice of the existence of the small works roster and invite contractors to register on the statewide small works roster. Additionally, as required by RCW 39.04.151(1)(c), MRSC will notify the Office of Minority and Women's Business Enterprise (OMWBE) directory of certified firms and invite small businesses to apply to the roster.
- L. MRSC shall add responsible contractors to the small works roster at any time that a contractor completes the online application provided by MRSC and meets minimum State requirements for roster listing.

M. Direct Contracting.

FVRL intends to use the direct contracting option (RCW 39.04.152(4)) whenever practicable for Small Works projects estimated to cost \$150,000 or less, excluding sales tax. FVRL has developed additional policies and procedures to ensure the FVRL uses Direct Contracting with the spirit and intent of the statute

FVRL delegates authority to oversee and manage the use and outcomes of the small works roster to the Finance Director or designee. As the delegated authority, the Small Works Roster Program Manager will be responsible for ensuring all necessary policies, procedures, templates, contracts or similar are developed and used in accordance with the applicable statutes and guidance provided by MRSC.

Further, the Small Works Roster Program Manager will be responsible for establishing and implementing FVRL's Business Utilization Plan and reporting annually on the utilization and improvements needed to the policy or contracting processes to meet or exceed the established goals for small business utilization through the Direct Contracting opportunities.

The Small Works Roster Program Manager will also be responsible for data collection, reporting, and similar on all activities, uses, and awards for small works and will ensure all information is provided to MRSC, the state, or the public as required or requested.

Section 4. Consultant Services Roster. FVRL adopts the use of the MRSC Rosters Consultant Roster (vendor list) to be used for the procurement and award of consultant services.

- A. **Consultant Services.** Consultant services can be "personal services" such as technical expertise, studies, project management, planning, or similar, or "architecture and engineering services" or "professional services" services as defined by chapter 39.80 RCW. For all services, FVRL reserves the right to procure using methods other than formal sealed bidding (low bid) as afforded under RCW 39.04.190.
- B. **Soliciting to join the Consultant Roster.** MRSC Rosters, as provided as part of their membership service, will publish twice a year, in a newspaper of general circulation within the FVRL's counties, a notice of the existence of the Consultant Roster and solicit consultants to join on our behalf. (RCW 39.04.190(2))
- C. **Procuring Consultants.** FVRL adopts the following as policies, procedures or similar when contracting for consultant services:
 - 1. **Personal Services.**
 - a. Personal consultants, firms and individuals that provide subject matter expertise, or services more intellectual in nature such as studies, accounting, legal, project management, or similar shall be procured using a Request for Proposal (RFP). Selection should be based on the best value provided to FVRL and include scoring on experience and expertise in the field or industry needed, a proposed approach to completing services, capabilities of the businesses staff, time, and cost to complete the work.

2. **Professional Services.**

- a. Professional architecture and engineering services shall be procured under the requirements of chapter 39.80 RCW, using the MRSC Consultant Roster. Procuring professionals will be through a Request for Qualification (RFQ) and/or Request for Proposals (RFP) with Qualifications. Price and/or the cost of the professional services will be 10% or less of the overall score. Selection criteria should clearly define the scope of services and the details on how the FVRL will determine the most qualified professional (or firm), which will be different depending on FVRL's needs. Further, selection criteria shall include a plan, as appropriate, to include minority and women-owned firms, small business, and veteran-owned firms to the maximum extent practicable.

3. **Electronic Submissions.** As required by RCW 39.04.190(2), FVRL established the following procedure for securing written proposals or submittals for consultant services.

- a. Unless otherwise adopted, through establishment of an e-procurement tool, FVRL will use email communications to request and receive submissions.
- b. An RFQ or RFP shall be developed that will include at a minimum a description of the services needed, the time of performance, the scoring criteria with descriptions and relative weighting, the schedule with due dates, and any other relevant information. Attached to each RFQ or RFP shall be the intended contract to be signed, as applicable.
- c. A selection committee will be formed with at least 3 staff members to review and score the submissions. The selection committee will sign statements attesting they have no conflicts of interest in the matter and all proceedings will be confidential until Award.
- d. A list of business will be pulled from the MRSC Rosters consultant roster under the category of need, and an email request will be sent only to the businesses on the roster list of businesses.
- e. Once submittals are received, the selection committee will review, score, and recommend award to the consultant scored the highest.
- f. **Records.** The original request, responses, scoring, and award documentation will be kept in the FVRL's records and will be available upon request.

4. **Award of Consultant Contracts.**

There may be two methods for awarding consultant services contracts.

- a. FVRL reviews and scores all proposal(s) or statements of qualifications received, negotiates or similar and then awards the contract; or
- b. If the FVRL Board of Trustees delegates the authority to award contracts to the Executive Director for consulting services costing less than or equal to \$350,000, the Executive Director shall have the authority to award contracts for consulting services without the Board of Trustees approval, provided that the Board of Trustees shall ratify the Executive Director's signature and delegation of authority through FVRL's standard process for such matters. For consulting services anticipated with an anticipated value more than \$350,000, the Board of Trustees shall review, score, and award all contracts for consulting services.

- D. **Posting of Awards.** In accordance with RCW 39.04.200, all consultant/services contract awards will be posted to the FVRL's website at least every other month.

Section 5. Vendor Roster. FVRL adopts the use of the MRSC Rosters Vendor Roster (vendor list) to be used for the procurement and award of materials, supplies, equipment or similar. The following vendor list roster procedures are established for use by the FVRL pursuant to RCW 39.04.190.

- A. **Purchase of materials, supplies, or equipment not connected to a public works project.** FVRL is not required to use formal sealed bidding procedures to purchase materials, supplies, or equipment not connected to a public works project where the cost will not exceed the statutory threshold of FVRL. The FVRL will attempt to obtain the lowest practical price for such goods and services.
- B. **Publication.** At least twice per year, MRSC shall, on behalf of the FVRL, publish in a newspaper of general circulation within the municipality's jurisdiction a notice of the existence of the vendor list roster and solicit the names of vendors for the vendor list roster. MRSC shall add vendors licensed to do business in the State of Washington to the Vendor Roster at any time when a vendor completes the online application and meets and minimum requirements.
- C. **Electronic Quotations.** FVRL shall use the following process to obtain written quotations from vendors for the purchase of materials, supplies, or equipment not connected to a public works project:
 1. A written Invitation (to Bid or Quote) with description shall be drafted for the specific materials, supplies, or equipment to be purchased, including the number, quantity, quality, and type desired, the proposed delivery date, together with any evaluation criteria and any relevant information of the purchase. The contract intended to be signed by the successful vendor is also to be included in with the invitation.

2. The Executive Director or their designee, shall make a good faith effort to contact at least three (3) of the vendors on the roster to obtain written quotations from the vendors for the required materials, supplies, or equipment;
 3. The Executive Director or their designee, shall not share written quotations received from one vendor with other vendors soliciting for the bid to provide the materials, supplies, or equipment;
 4. A written record shall be made by the Executive Director or their designee, of each vendor's bid on the material, supplies, or equipment, and of any conditions imposed on the bid by such vendor;
- D. **Determining the Lowest Responsible Bidder.** FVRL shall purchase the materials, supplies, or equipment from the lowest responsible bidder, provided that whenever there is reason to believe that the lowest acceptable bid is not the best price obtainable, all bids may be rejected, and FVRL may call for new bids.
- E. **Award.** All of the bids or quotations shall be collected by the Finance Director or their designee. The Executive Director, or their designee, shall create a written record of all bids or quotations received, which shall be made available by request after the award of the contract.
1. The Executive Director, or their designee, shall then present all bids or quotations and their recommendation for award of the contract to the Board of Trustees. The Board of Trustees shall consider all bids or quotations received, determine the lowest responsible bidder, and award the contract; or
 2. If the Board of Trustees delegates the authority to award bids to the Executive Director of the FVRL for materials, supplies, or equipment costing less than or equal to the policy threshold of the agency, the Executive Director shall have the authority to award public works contracts without Board of Trustee approval, provided that the Board of Trustee shall ratify the Executive Director's approval at the next scheduled Board of Trustee meeting by means of the consent agenda. For materials, supplies or equipment costing more than the policy threshold of the FVRL the Board of Trustees shall award all vendor contracts.
- F. **Posting of Awards.** In accordance with RCW 39.04.200, all vendor contract awards will be posted to the FVRL's website at least every other month. The posting will include the vendor awarded the contract, the amount of the contract, a brief description of the items purchased, and the date it was awarded.

Board of Trustees Reimbursement Policy

Fort Vancouver Regional Library (FVRL) has a seven (7) member appointed Board of Trustees responsible for providing and maintaining quality library services for the citizens of the regional library district as set forth in [RCW 27.12](#) and any other applicable laws.

A library trustee shall not receive a salary or other compensation for services as trustee, but may be reimbursed from FVRL funds for expenses incurred while fulfilling the necessary functions of the office.

- Library trustees are eligible to receive **mileage reimbursement** at the approved IRS mileage rate. Mileage will be calculated as actual miles traveled and should be reported on a monthly basis.
- Library trustees are eligible for **lodging expense reimbursement** related to attending FVRL board meetings when the mileage to the meeting location requires the board member to travel more than 150 miles round trip to attend, or when inclement weather would prevent a return home after a board meeting. Applicable reimbursable lodging expenses require:
 1. The cost of moderate accommodations as defined by the IRS per diem rates, within the destination area, will be used as the benchmark for the cost of reasonably priced lodging
 2. Actual cost of hotel, motel or rental property accommodations, including lodging taxes and parking fees included in any hotel or motel bill, shall be paid. Receipts are required for all hotel/motel/rental stays will be submitted to the Executive Director's Office within one week of the expense being incurred.
- **Meals** may be reimbursed at the per diem rate for an overnight stay. Meals may also be reimbursed for Board Members when travel time and FVRL meeting time exceeds four (4) hours combined. See the [Travel and Subsistence Policy](#) for further details about meal reimbursement.

Public Records Requests Policy

It is the policy of the Fort Vancouver Regional Library District (“FVRL”) to release public records in compliance with the Washington State Public Records Act, set forth in Chapter 42.56 of the Revised Code of Washington (“RCW”), and any other applicable provisions of federal or state law. The Public Records Policy (“Policy”) applies to library system records created and retained by staff, administrators, the Board of Trustees, and any third-party records in FVRL’s possession to the extent not exempt from disclosure pursuant to state law or any applicable law.

Purpose

The purpose of this Policy is to comply with Chapter 42.56 RCW, the Public Records Act. This document provides guidance to public records requesters, as well as FVRL employees who respond to such requests.

Public Records Officer

FVRL has designated the Communications and Marketing Director as the official Public Records Officer (“PRO”) for the FVRL. While the individual serving as the PRO may change over-time, requestors can find current contact information for the PRO on the FVRL website. The PRO is responsible for managing the disclosure of public records to ensure compliance with the law, responding to and tracking requests or designating another individual to respond, and serves as the principal contact with any requester making a public records request. Any person wishing to request, inspect, or seek assistance regarding FVRL’s public records should contact the PRO as follows:

Public Records Officer
Fort Vancouver Regional Library District
2018 Grand Blvd, Vancouver, WA 98661
Telephone: 360-906-5010
Email: public_records@fvrl.org

Types and Availability of Records

FVRL makes certain public records available on its website including, but not limited to FVRL board meeting agendas, board meeting minutes, financial reports, and budget documents. FVRL complies with applicable public records retention and disclosure laws and strives to follow best practices in implementing the Policy.

Pursuant to RCW 42.56.070(4), FVRL finds that it is not required to maintain a current index of public records because the requirement is unduly burdensome and would interfere with FVRL operations as stated in the Board Resolution No. 2024-08 adopted by the Board of Trustees on [REDACTED].

Public records are available for inspection and copying at FVRL’s Operations Center in Vancouver, WA, from 9:00am-5:00pm, Monday-Friday.

Submitting Requests

All requests either for inspection or for copies (paper or electronic) of public records should be in writing addressed to the Public Records Officer and may be sent by mail, e-mail to public_records@fvrl.org or fax or delivered in person to the FVRL Operations Center or any branch library.

Any person wishing to inspect or receive copies of public records of FVRL should include the following information in the public records request:

1. Name of requestor, the date and time of the request;
2. A means of communicating to the requester, such as mailing address, telephone number, and email address;
3. Description of the public records requested with details of the records being sought and date ranges that are adequate for the PRO to do a reasonable search to identify and locate the public records; and
4. Whether the requester is seeking to inspect the record(s) or if copies are being requested.

FVRL will respond to all Public Records Act requests within five (5) business days in compliance with RCW 42.56.520. The FVRL response to the requester may include:

- a. Notifying the requester that the documents are available for inspection or copying;
- b. Acknowledging the request was received in writing and providing a reasonable estimate of the time the FVRL will require to provide a first installment or complete the request;
- c. Seeking clarification from the requester;
- d. Identifying the physical location or internet site where the documents are available to the public; or
- e. Denying the public records request.

Processing Requests

The PRO will process requests in an order that allows requests to be processed most efficiently. When FVRL receives a public record request or at any time while processing a public record request, the PRO will determine a reasonable time estimate within which FVRL can respond to the request that will factor in the nature, volume, and availability of the requested records; the amount of time necessary to respond to a particular request and its effect on the amount of staff time that can be devoted to responding to the requests of other requesters; and the impact on other essential FVRL functions.

Specific factors that may affect the response time estimate include, but are not limited to:

- a. Number of pending requests from the same requester;
- b. Volume of records requested;
- c. Complexity or ambiguity of the request;
- d. Access to database or electronic system records;
- e. Information Technology (IT) staff involvement;
- f. Records not easily identified, located, and/or accessible;
- g. Current staffing, including any amount of time needed by District staff who are not primarily responsible for public record processing;
- h. Third-party notice;
- i. Complex review to determine if content is exempt;
- j. Extensive and complicated electronic redaction;

- k. Legal review;
- l. Resolving issues related to retention of responsive records; and/or
- m. Grouped requests.

To provide fullest assistance to all requesters and prevent excessive interference with other essential FVRL functions, FVRL may allocate specific amounts of time and resources to responding to a request. This may include, but is not limited to, allocating a specific number of hours per week or per month to be spent by public records staff or employees for whom responding to record requests is not among their primary assigned duties. The amount of time shall be based on the factors outlined above.

When a request is complicated or for a large volume of records, FVRL may elect to provide records on an installment basis. If a requester does not contact the PRO within thirty (30) days to arrange for the review of the installment, FVRL may deem the request abandoned and stop fulfilling the remainder of the request.

Denial and Appeal

FVRL reserves the right to deny requests for public records under provisions of the Public Records Act, RCW Ch. 42.56, and will provide a written statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record withheld.

FVRL is not required to accept certain automated or bot requests. FVRL may deny multiple automated or bot requests from a requester in a 24-hour period. FVRL does not accept voice mail record requests or requests through social media platforms, because social media and voicemails are not monitored daily.

FVRL has an appeal process and encourages any requester who believes a public record has been wrongfully withheld or redacted (in whole or in part), to submit the appeal in writing to the PRO stating the reasons for the appeal. Requesters are also encouraged to meet and confer with the PRO prior to seeking secondary review.

Exemptions

FVRL applies exemptions for public records requests in compliance with the exemptions provided under the Washington Public Records Act, Chapter 42.56 RCW. Some records are exempt from disclosure, in whole or in part. If FVRL believes that a record is exempt from disclosure and should be withheld, the PRO will state the specific exemption and provide a brief explanation of why the record or a portion of the record is being withheld. If only a portion of a record is exempt from disclosure, but the remainder is not exempt, the PRO will redact the exempt portions, provide the non-exempt portions, and inform the requester why portions of the record are redacted.

For informational purposes, under the Washington Public Records Act, Chapter 42.56 RCW, the records exempt from disclosure include, but are not limited to:

Library Records of Individual Users. Any library record subject to RCW 42.56.310, as interpreted by FVRL's Confidentiality of Patron and Circulation Records Policy, is exempt from disclosure and will not be released under the Public Records Act.

Public Records Act Exemptions. The Public Records Act exempts several categories of documents and records from disclosure under RCW 42.56.210 et seq. Documents falling into any of these categories may be withheld from disclosure under the Public Records Act.

Commercial Purposes. FVRL is prohibited from disclosing lists of individuals for commercial purposes as provided in RCW 42.56.070. If a request includes a list of individuals, FVRL shall require that the requestor provide information necessary to determine if disclosure of the list of individuals is permitted or prohibited by RCW 42.56.070(8).

Address Confidentiality for Victims of Domestic Violence, Sexual Assault, and Stalking. Any employee's name and other personally identifying information if they or a dependent are survivors of domestic violence, sexual assault, sexual abuse, stalking, or harassment, or if they participate in the address confidential program under chapter 40.24 RCW (RCW 42.56.250(1)(i)).

Other Exemptions

In addition to the exemptions provided under the Public Records Act, Washington provides several additional exemptions that are not listed in the Public Records Act. A non-exclusive list of these exemptions is available at: [Public Records Act for Washington Cities, Counties, and Special Purpose Districts \(mrsc.org\)](http://mrsc.org). Documents falling into any exemption recognized by Washington statute, or otherwise under local, state, or federal law, may be withheld.

Third-Party Rights

Prior to releasing a record, FVRL may, at its sole discretion, provide notice to an individual or organization named in a public record or to whom the record specifically pertains (unless notice is required by law) to allow the third-party to seek relief pursuant to RCW 42.56.540. FVRL may take into account any such third-party notification, including the time necessary for any request for injunction or other relief under RCW 42.56.540 to be resolved, in providing an estimate for when the records will be available. Nothing in this Policy is intended to create any third-party right to notice of Public Records Act requests.

Fees

RCW 42.56.120 allows for a reasonable charge for printed copies to be imposed for producing copies of public records including the actual costs directly incident to such copying, including customized service charge when a staff member's expertise is required to locate and fill the request.

All copies of public records with the exceptions noted above, will incur a charge of 15¢ per page (subject to change) to reproduce and cover the postage cost, if mailed. Public records provided electronically will generally be provided without charge.

At their discretion, the PRO may elect to waive these fees. Fees may generally be waived when the expense of billing exceeds the cost of copying and postage.

If charges related to copying have not been paid by the requester, the PRO may withhold the relevant documents from disclosure until outstanding fees are paid by the requester.

Law Enforcement Requests

FVRL may consult with legal counsel before the release of information to law enforcement. Law enforcement will receive access to confidential library records upon receipt of process, order, or subpoena in proper form and with a showing of good cause for its issuance.

Delivery of Records

Documents are available for inspection by appointment at FVRL's Operations Center in Vancouver, WA, during Monday through Friday, 9:00am – 5:00pm, excluding legal holidays or upon official closure of FVRL. Arrangements for inspection and/or copying must be made in advance. To schedule an appointment, email public_records@fvrl.org or contact the Public Records Officer at 360-906-5010.

Inspection of public records must occur in a non-disruptive manner. No member of the public may remove public records from the viewing area or disassemble, destroy or alter any public record. The requester shall indicate which records they wish to have copied using a mutually agreed upon non-permanent method of marking the desired record.

On request, physical or electronic copies may be made available to the requester. FVRL may determine the method of production for electronic records at its own discretion if the electronic files are too large to be shared via email. FVRL will not provide records on portable media (e.g. thumb drives) provided by a requester or by uploading to a private file-sharing site.

Failure to Respond

FVRL will deem a request abandoned in the following circumstances:

1. If a requester fails to respond to a FVRL request to clarify, whether individual or grouped, within thirty (30) days of the request for clarification, and the entire request is unclear;
2. If a requester has elected to inspect records, the request, whether individual or grouped, may be deemed abandoned:
 - a. If the requester fails to contact the PRO to arrange for the review of the installment within thirty (30) days of making arrangements to inspect the records in person.
 - b. If the requester misses an appointment to inspect responsive records or any installment of records and fails to contact the PRO to arrange another appointment to inspect within 30 days of the original request.
3. If a requester has elected to receive copies of records, a request, whether individual or grouped, may be deemed abandoned:
 - a. If the requester fails to open and download within thirty (30) days copies of responsive records or any installment of records provided to the requester electronically.
 - b. If the requester fails to pick up hard copies of responsive records or any installment of records within thirty (30) days of the date on which such copies are made available for pickup.
 - c. If the requester fails to pay for copies of any records or any installment of records within thirty (30) days of receiving an invoice for those records.

Closing the Request

Once all copies of requested records have been provided to the requester, the requester has reviewed the requested records, or thirty (30) days have passed since the requester was notified that the records were available and the requester has failed to contact the PRO to arrange for the review of those records or for payment for copies, the PRO shall close the records request.

Disclaimer of Liability

Neither the FVRL nor any employee, official, trustee or custodian shall be held personally liable, nor shall a cause of action exist, for any loss or damage, if the release of records was based upon a good faith attempt to implement the Policy outlined in this document and in accordance with the Washington Public Records Act.

Implementation

This Policy will be implemented by the Public Records Officer, as delegated by the Library Executive Director. The PRO is expected to make every effort to apply these rules in a fair, consistent, reasonable, and positive manner.

Any person requesting public records who questions the way this Policy has been applied, may use the appeal process established by the Appeal Rights of Patrons Policy.

Board Approved

This Policy fully supersedes and replaces all previous Public Records Policy documents for FVRL.

Adopted: _____, 2024

**FORT VANCOUVER REGIONAL LIBRARY DISTRICT
RESOLUTION NUMBER (2024-08)
A RESOLUTION TO DECLARE PUBLIC DISCLOSURE INDEXING AS UNDULY BURDENSOME AS
REQUIRED BY RCW 42.56.070**

The regular meeting of the Fort Vancouver Regional Library District (FVRL) Board of Trustees was held (date) at (library) Community Library, attended by a quorum of the Board for the conduct of such business; and, after due consideration and deliberation, the following resolution was duly passed by a majority vote of all Trustees then attending.

WHEREAS, RCW 42.56.070 requires all public agencies to maintain and make available a current index of public records; and,

WHEREAS, RCW 42.56.070(4) provides that a local agency may opt-out of maintaining such an index if it would be unduly burdensome or interfere with agency operations, and an agency must issue and publish a formal order specifying the reasons why compliance would be unduly burdensome; and,

WHEREAS, RCW 42.56.070 further provides that all indexes currently in existence and maintained by FVRL must be made available to the public for public inspection; and,

WHEREAS, FVRL did not budget for and lacks revenue to hire additional staff members for the sole purpose of processing public records requests and/or creating and maintaining such comprehensive indexes of public records; and,

WHEREAS, the creation and maintenance of an index would be extremely costly and would provide little benefit to the public when compared to the expenses and impact on agency operations of creating and maintaining such a comprehensive index; and,

WHEREAS, FVRL's records are diverse, complex, and stored in multiple computer systems, formats, and/or databases, making it difficult if not impossible to maintain an accurate, all-inclusive index; and

WHEREAS, FVRL recently updated its Public Records Act Policy to provide the fullest assistance possible to the public who request public records and set forth policy and procedures that strive to follow best practices in complying with the Washington State Public Records Act, RCW Ch. 42.56;

NOW, THEREFORE, BE IT RESOLVED that based on the findings set forth above and pursuant to RCW 42.56.070(4), the Board of Trustees of the Fort Vancouver Regional Library District do hereby order and direct that:

- 1) FVRL is not required to maintain a current index of public records due to the above findings that the requirement is unduly burdensome and impacts agency operations due to high costs and diversion of staff resources from essential tasks, and that such an index would be difficult, if not impossible, to maintain; and,
- 2) FVRL shall make available for public inspection and/or copying all public records and any indexes of public records currently in existence and maintained by FVRL pursuant to RCW 42.56.070.

ADOPTED at a regular meeting of the FVRL Board of Trustees this [REDACTED] day of [REDACTED], 2024.
