THINGS TO KNOW:

- YOUR **ADJUSTED GROSS INCOME** MUST BE **BELOW \$84,000**
- BRING ALL YOUR DOCUMENTS
- YOU NEED **BASIC COMPUTER SKILLS, EMAIL ADDRESS AND A CELL PHONE** WITH EMAIL ACCESS.
- YOU WILL PREPARE AND E-FILE YOUR OWN TAXES ON **TAXAIDE COMPUTERS** USING **TAXSLAYER SOFTWARE**.
- YOU CAN FINISH YOUR RETURN AT HOME IF NEEDED
- YOU MUST SIGN A **LIABILITY WAIVER**
- OUR CERTIFIED VOLUNTEERS ARE AVAILABLE TO ANSWER QUESTIONS WITHIN OUR TRAINED SCOPE. YOU ARE NOT LIMITED TO OUR SCOPE.

What to bring:

- All social security numbers (or individual tax identification numbers) for you, your spouse and any dependents on your return.
- Your 2023 tax return, if available. You must have your 2023 adjusted gross income (line 11 from form 1040).
- Your cell phone with email access (for account set up).
- All your 2024 tax documents.
- If married and not filing jointly with your spouse, you need your spouse's social security number.

Remember: you will be completing your own tax return on our computers. While we are available to help, you should have a good understanding of the tax law that applies to you (eg, what income you have to declare, deductions you are entitled to, etc). This service is not a good fit for those with complicated returns. If this doesn't apply to you, please consider coming to our in-person tax service where we prepare your return for you.
