   the county commissioner's board at their next meeting.

6. Current Financials:
   Mike Githens presented the financial report for the month ending May 2017.

7. Building Project Update:
   Two bids were received and reviewed by the taskforce. Both were determined to be
   beyond our budget by too much to reasonably consider. Mariah Reese, President of the
   Friends of the Yale Valley Community Library, was invited to speak to the board
   regarding thoughts going forward with the building project. Discussed several grant
opportunities as well as gaining some donations other than financial (time/work) from the greater community and how/if the Friends group could be involved with these. Discussion about where the Board could possibly access additional funding as well from other governmental sources available to us. Next steps were discussed such as putting the project in smaller portions. This way we can move forward with reasonable and more affordable progress. Discussion about next opportunity to put the project out for bid again.

8. Community Librarian Report:
Kim McNally is out of town and the report was presented by Amelia Shelley. Summer reading program has started and the “Creature Feature” presentation was done on June 8th. There were 65 in attendance and many community members. Summer hours for Yale begins June 28th. Wednesdays 2:00 - 4:00 PM. Discussion about the Yale Library website with some domain name suggestions given. The board originally chose “yvld.org” but this is changed after citizen comments to “yalelibrary.org” and the webmaster will be working on this for the future.

8. Citizen Comments (limited to 3 minutes):
Lottie Stoll-Smith stated her preference for domain name to not be an acronym. She preferred YaleLibrary.org. Mariah Reese also preferred something easier to remember. The board decided to change it as reflected above.

9. Board Comments:
With Kyle Niekamp moving on we need to find another way to get into the building for our meetings. Eric Reese will be putting the meetings on the calendar and get the permission to use the facility and Tina Moir will be getting the keys from Randi Isslehardt (school custodian) as needed. Our next meeting is July 20, 2017.

10. Adjournment:
Meeting was adjourned by Eric Reese at 7:20 PM.
